Dear Mr. Smith:

On July 14, 2003, the Department of Environmental Services, Waste Management Division ("DES") conducted an inspection of Northeast Auto Body. The purpose of the inspection was to determine Northeast Auto Body's compliance status relative to RSA Ch. 147-A and the New Hampshire Hazardous Waste Rules, Env-Wm 100-1100.

As a result of the inspection, Northeast Auto Body was issued Letter of Deficiency No. WMD 03-21 ("LoD"). Based upon a review of Northeast Auto Body's submittals, DES has determined that your facility has corrected the deficiencies identified in the LoD.

Please be advised that DES will continue to monitor Northeast Auto Body's compliance status through record reviews and on-site inspections.

If you have any questions regarding this letter, please contact the lead inspector, Jessica Cajigas or John J. Duclos, Supervisor of the Hazardous Waste Compliance Section at (603) 271-2942. Thank you for your cooperation.

Sincerely,
